Memo, Baumgardner to Sullivan, 7/7/64, stated New York Office advised that new book by Frank A. Capell entitled "The Strange Death of Marilyn Monroe," which alleges that Attorney General Robert F. Kennedy had an intimate relationship with Miss Monroe, would be ready for sale about 7/10/64.

Kennedy's Friendship with Miss Monroe "Well Known"

The New York Office has now furnished us with a copy of this 70-page book. The book claims that Miss Monroe's involvement with Kennedy "was well known to her friends and reporters in the Hollywood area," but was never publicized. It is alleged that "there are person-to-person telephone calls, living witnesses, tape recordings and certain writings to attest the closeness of their friendship."

The author suggests that Miss Monroe "was led to believe his intentions were serious," and that Kennedy had promised to divorce his wife and marry her. When he failed to do so, the book charges, she "threatened to expose their relationship," which would have ruined his presidential aspirations. It was then that Kennedy decided "to take drastic action."

Kennedy Had Communists "Murder" Miss Monroe

According to the book, Kennedy used "the Communist Conspiracy which is expert in the scientific elimination of its enemies" to dispose of Miss Monroe by making her murder appear to be a suicide. This could have been achieved without great difficulty, the author points out, because her personal physician, Dr. Hyman Engelberg, was a communist.

Re: FRANK A. CAPELL
INFORMATION CONCERNING

Most of the allegations made against Kennedy are contained in the chapter entitled "The V.I.P." (pages 49-61) and on pages 69 and 70.

Allegation Previously Branded False

It should be noted that the allegation concerning the Attorney General and Miss Monroe has been circulated in the past and has been branded as utterly false.

References to Director and FBI

There are several references in the book to the Director and/or the FBI. A biographical sketch of Capell on page 3 states that, while associated with the Westchester County, New York, Sheriff's Office, "he supervised the investigation of over five thousand individuals and organizations, including Nazis, Fascists and Communists, on behalf of the F.B.I. in most cases."

On page 49, it is stated that "under the direction of Bobby Kennedy the F.B.I. has been frustrated as never before."

On page 69, it is said that Mr. Hoover does not share Kennedy's opinion that the Communist Party, USA, "is a windmill virtually powerless to harm the United States."

On page 70, reference is made to an anonymous letter quoted in a column of Walter Winchell datelined May 25, 1964, at Hollywood, California, which told of a 23-year-old Beverly Hills blonde who had been "terrorized for months by the same person who caused Marilyn Monroe's death.... You can check this with F.B.I. Special Agent in Charge, Mr. Grapp in L.A..... Her initials are M.J."

Our Los Angeles Office reported that "M.J." was Mary Lou Jones, a would-be actress of no talent, who is apparently mentally disturbed. Miss Jones complained to the Beverly Hills, California, Police Department that she was being followed and harassed by unidentified men, but her allegations were completely unsubstantiated by the police.

Dr. Hyman Engelberg Former Security Index Subject

Dr. Hyman Engelberg was the subject of a Security Matter-C investigation, but his Security Index card was canceled in 1953 after his cooperative interview with Agents of our Los Angeles Office. At that time Dr. Engelberg admitted membership in the Communist Party from about 1939 to 1948. JM

New York airtel 7/2/64 advised that Frank A. Capell advised an Agent that he is about to publish a 70-page paperback book dealing with the suicide of Marilyn Monroe which will be entitled "The Strange Death of Marilyn Monroe." The book allegedly will be ready for sale about 7/10/64. Capell stated the book will make reference to Attorney General Robert Kennedy and his friendship with Miss Monroe. It will indicate that Kennedy and Monroe were intimate and that Kennedy was in Monroe's apartment at the time of her death. He stated he will also attempt to show that some communists were working behind the scenes inasmuch as the physician who signed the death certificate was a communist.

Identifies Confidential Informant

He publishes "The Herald of Freedom," an anticommunist newsletter of an expose type. He has been interviewed in recent months by Agents of our New York Office concerning numerous allegations he had made against a number of prominent individuals. Some allegations of Capell are from public sources and are apparently true, some are completely false and others are extremely questionable and not subject to corroboration. Capell has consistently refused to divulge his alleged sources to our Agents.

The above allegation concerning the Attorney General has been previously circulated and has been branded as false as the Attorney General was actually in San Francisco with his wife at the time Marilyn Monroe committed suicide.
